**PUBLIC NOTICE**  
**2015/2016 DEER MANAGEMENT PROGRAM**

The Borough of Watchung wishes to inform all Borough residents and non-resident Borough property owners that a Borough-controlled deer management program will begin on November 30, 2015 and may continue until February 13, 2016. The program will be conducted under the same format as that previously utilized under the Community Based Deer Management Program.

The deer management program will be conducted as follows:

Controlled hunting via firearm by Warren Blue Ridge Sportsmen, Inc. will take place on three tracts of municipal land, and also on four tracts of privately owned land from November 30, 2015 through February 13, 2016, as permitted by State regulations. Shooting is limited to the seven sites approved and designated in the program and will only be done from elevated tree stands.

A 24 hour telephone hot line will be in operation at the Watchung Borough Municipal Building and will be maintained by the Borough to provide updated information if any new tracts are added or removed. The hot line number is 908-745-2111 Option 1. This information will also be placed on Local Cable Access Channel 15, and posted on the Watchung Borough website: [www.watchungnj.gov](http://www.watchungnj.gov).
